Get ready for the ride of your life as you enter a world of money, drugs and prostitution. Mick, a forty year-old hospitality professional takes a job as a driver for one of Melbourne's elite escort agencies. His recreational drug use escalates to drug abuse. With a need to feed his new habit, he is lured into the seamier but much more lucrative side of prostitution and is driven, against all his natural instincts, to cross boundaries hitherto unthought of. Through his journey you will discover how a world with no rules or boundaries can corrupt at any age. They say love makes the world go round, but money and drugs can spin it into a frenzy.
