

How to Teach, 2010, 239 pages, Phil Beadle, 1845903935, 9781845903930, Crown House Pub Limited, 2010

Fluent, accessible and at times laugh out loud hilarious, How to Teach is the ultimate, (and ultimately irreverent) look at what you should be doing in your classroom if you want to be the best teacher you can possibly be. Phil Beadle, star of UK Channel 4's Unteachables and Can't Read Can't Write, and former Secondary School Teacher of the Year and Guardian Education Columnist, outlines everything a newly qualified teacher needs to know in order to be an immediate success in the classroom. The book includes a substantial section on every new teacher's biggest concern: behavior management, as well as giving tips on various teaching methods; lesson planning; assessment; ways of organizing the classroom; and how to motivate students to get the absolute best out of them.
